

## Logistics Officer

*PT. Multi Bintang Indonesia, Tbk*

PT Multi Bintang Indonesia, Tbk is the leading beer and beverage company in Indonesia, which has been operating since 1931 with two breweries, each in Sampang Agung (Mojokerto) and Tangerang. We produce and market strong brands such as Bir Bintang, Heineken, Bintang Zero, and Green Sands. Our Sales and Marketing offices operate in all major cities nationwide.

We challenge the young potential candidate, for the following position of:

Logistics  
Officer

### Supply

Chain of Multi Bintang : The

Supply Chain of MBI consists of 2 manufacturing locations (breweries) and 4 warehouse locations all in Java. Raw and packaging materials are both imported and sourced locally. MBI ships finished product (Bintang beer, Heineken beer, Bintang Zero Green Sands) in around 40 SKU's to around 100 ship-to points nationwide and has some export destinations. Part of the packaging materials (bottles, crates and kegs) are returned from market to brewery and after cleaning and inspection used again.
